CWC Coast Runners

Sponsored Jet-ski Cruise from Clacton on Sea to Jetski world @ Palm Bay in Kent and back

Saturday, 2nd July 2011

The CWC Coast Runners charity cruise is in aid of

Little Havens Children's Hospice

Little Havens Children's Hospice is part of Havens Hospices and provides specialist short breaks, symptom control and end-of-life care for youngsters living with serious conditions and who are not expected to reach adulthood. We aim to make their journey and that of the family as comfortable as possible, creating special memories along the way. The love and care provided by the Care Team in the homely surroundings at Little Havens is as special and unique as the child.

Clacton Watercraft Club event organisers would like everyone who enters the event to do their best to raise a minimum of £100 either by collecting sponsors or by making a personal donation.

The Coast Runners Cruise will be open to a total of 50 skis, with the initial places being made available to CWC club members and members of associated PWC clubs.

Any remaining places will be offered to the public from Easter until the end of May
